

EMT Instructor Course

The Southern Region Emergency Medical Technician Instructor Course is a **New Modified Program** that condenses week one, Methods of Instruction (MOI) with week 2 of the EMT Instructor Course. This combined course will cover concepts of adult education and the learning environment, as well as regulations, requirements and resources for teaching EMTs in the State of Alaska.

This week-long course is designed to be an intensive learning experience and will require pre-course work as well as completion of homework in the evenings. It is expected that you are proficient with EMT skills and didactic knowledge prior to entering this training program. There will be no review of EMT skills or didactic knowledge during this class.

All students will be required to attend the entire class regardless of any pre-existing fire or other MOI training.

There is an application and selection process. All applicants for this class may not be accepted. Do NOT send money or make travel arrangements until you are sent notification of final acceptance. Space is limited.

State Requirements:

- o Certification as:
 - Alaska EMT or Paramedic or National Registry EMT or Paramedic or one of the following: RN, MD, DO, PA
- o Cover letter verifying three years EMS experience
- o CPR Instructor proof or waiver
- o Written Exam 90% or greater- Must be completed by April 10th, 2017.

 - Basic and Advanced Instructor must have EMT 1 and EMT 3 Exams
- o Practical Exam- Must be completed by April 10, 2017
 - Basic Instructor must have EMT 1 Practical
 - Advanced Instructor must have EMT 3 Practical

Dates of Class:

O May 8-12, 2017

**O Registration deadline:
April 20th, 2017**

Must attend all hours of class.

The screening process has two steps:

1. Incomplete applications will be rejected on April 20, 2017. Applications accepted during a deadline extension due to low attendance will not be accepted if incomplete.
2. Applicants will then be screened by the following criteria:
 - A. Regional needs (i.e., a lack of instructors in a certain area)
 - B. Level of training
 - C. Pre-hospital experience
 - D. Date of receipt of a completed application

Please note the registration deadline for the course. Payment in full is required at the time of initial registration to reserve a place in the class. SREMSC reserves the right to cancel this class if enrollment is less than five students on April 30th. There will be no refunds for cancellations on or after April 30th. If SREMSC cancels the class, the full amount will be refunded.
