

Burn Resuscitation

Educational offering for RNs and CNAs

Presented by Dr. Elisha Brownson

June 5, 2018

5-6 a.m. and 7-8 a.m.

ANMC Conference Room 2

June 7, 2018

5-6 p.m. and 7-8 p.m.

ANMC Conference Room 1

Course Objectives:

- Understand the pathophysiology of burn shock
- Learn to estimate total body surface area (TBSA) and calculate initial resuscitation requirements
- Recognize challenges to burn resuscitation and signs of failed resuscitation
- Understand complications of over-resuscitation
- Explore guidelines for resuscitation in delayed transport or austere environments

To sign up for the course, ANMC employees can register through Healthstream. Non-ANMC employees can register at sign in.

ANTHC is accredited by the Washington State Medical Association to provide continuing medical education for physicians. ANTHC designates this provider-directed activity for a maximum of 1.0 *AMA PRA Category 1 Credit(s)*[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

ANTHC is approved as a provider of continuing nursing education by the Montana Nurses Association, an accredited approver by the American Nurses Credentialing Center's Commission on Accreditation. ANTHC designates this activity as meeting the criteria for one nursing contact hour credit for each hour of participation up to a maximum of 1.0 hour(s).
